

Valuable Home Buying Tips

- Interview and select a full-time real estate professional who understands your needs and who regularly communicates.
- When you find your dream home act now.
- Only you know what's right for you!
- Accept that no home is perfect
- In addition to the home's architecture, take it all in...amenities, location, schools, location, etc.
- Obtain mortgage pre-approval and investigate home insurance availability
- Negotiate hard but fairly
- Stop looking once your needs and wants have been met
- Select a home as if it were free
